## SUMMARY

Highly motivated, I enjoy learning new things, apply them effectively. I can collaborate effectively and manage time, ensuring deadlines are met consistently.

## PROJECTS

### Schedule, Track and Pay with EASE

Developed a front-end web application using **HTML**, **CSS**, and **JavaScript** to simplify the student fee payment process. Key features include **queue tracking**, **waiting time estimation**, **slot booking**, **real-time alerts**, and a **help center**, enhancing user experience and improving communication between students and administration.

### Abstracting Cloud Services for Hospital Website

Built a hospital management system using **AWS**. Used **EC2** for hosting, **S3** for storage, **IAM** for access control, **VPC** for network setup, and **RDS** for storing patient data.

## INTERSHIPS

### Technical Hub PVT LTD [certificate](#)

Completed a summer internship at Technical Hub Pvt Ltd, focused on **React Native** full stack development. Gained hands-on experience with **HTML**, **CSS**, **layout techniques**, and **responsive design**.
